Summary: my first attempt at a story probably going to mess with it a lot a problem with the engines sends a GRA ship hurtling out of hyperspace and crashing onto Installation-04 aaaannnd on hiatus until I fin my \*\*\*\*\* flashdrive

SSDE

-Hyperspace en route to Coruscant time left 3 standard days-

>Bridge<br>\*Alarms begin to go off\*

>"Admiral!"<br>"what's wrong?!"

>"Our hyperdrives are shutting down,<br>"What?! Stop them!"

>"I can't we're gonna-"<p>

Mess hall

>"So Reaver whaddya think of our resident commando squads?" Asks an off duty soldier<br>"Quiet lot they are I heard lucky was gonna 'initiate' them" replies Reaver

>"Oh I gotta see that"<br>"Well let's go the-"

\* a large explosion interrupts their conversation\*

The ship flashes out of hyperspace Covenant turrets are inactive and cooled down and cant power up in time. the ship rockets towards the ring in a semi-controlled crash as its engines detonate. Life pods fly out of it and the bridge gets scraped off as it passes under a Covenant cruiser damaging it and bringing its shields down.

>The ship heads into a dive towards the ring the 10 escape pods almost on it.<p>

"Chief, life pods incoming!"

>"More? Though the Autumn already jettisoned them when ours 'landed'." The green-armored Spartan adds annoyed emphasis on the last word.<br>"Hmm...interesting...they're not ours, that's for sure...but...then who could've launched them?"

>"I have a feeling we're gonna find out the hard way"<p>

The ship rockets over Alpha Butte the recently taken main outpost of the

22nd Tactical ODST Battalion and the 79th Infantry Battalion

Almost immediately afterwards a scorpion and 4 warthogs and their crew set out in the same direction.

"Hey sarge! ya hear more life pods 're landing?"

>"Wha- how the hell can there be more pods, the Autumn's

CRASHED!"<br>"That, or the Covies are bombarding us with debris."

>The base's alarms interrupt them<br>"COVENANT ATTACK ON THE SOUTHWEST, ALL MARINES REPORT TO BATTLESTATIONS!"

>"AGAIN, \*sigh\* these bastards just don't let up!"<br>The marines quickly grab their gear and file out.

End  
file.
